

Dear CHA Member,

Thank you for being part of this!

Our members truly came through for us in the last year and we are really looking forward to having you be part of our Association in 2021!

This year was filled with hope, success, and improvements because of you. We feared that being forced to limit access to the shelter during the pandemic would make adoptions difficult. However, we took in and rehomed similar numbers of pets this year to the past year and made some much-needed updates to the shelter building.

With your support, we saved them:

Paula

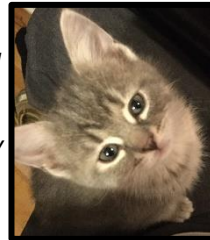

Paula just returned to the shelter after raising 5 kittens in foster care. She is snuggly and needs her forever home.

Scuttle

Two year old Scuttle weighed only 6 lbs when he arrived and is now a healthy 10 lbs. He is FIV+ and still needs a home.

Pearl

Pearl and her 5 siblings were adopted quickly into their new homes last fall.

Cletus

Cletus arrived as the result of a neglect case and went to a great home in Illinois where he has grown from a pup to a beautiful hound dog!

We ask that you renew your membership today!

Members receive a quarterly newsletter with shelter updates, heart-warming adoption stories, and helpful pet tips. Members also may attend and contribute to the shelter's board meetings, serve on board committees, receive invitations to major events, receive 5 free door prize tickets at the Purr and Paw Dinner and Dog Walk events, and receive adoption discounts. Most importantly, your membership fees help us to keep doing the important work of rescuing homeless animals in the community.

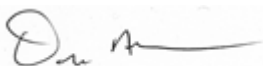

With your membership we achieved a great deal:

- We replaced the worn-out window coverings and access doors in our dog run.
- We secured enough funding in our emergency veterinary fund to remove the damaged eyes of 9 kittens, complete a hernia repair, and do a couple of tail amputations required due to severe injuries.
- We spayed and neutered hundreds of homeless animals.
- We completed repairs to roof snow breaks and gutters resulting from past record snowfalls.
- We replaced our dryers and our septic system which were quite worn out.

We are so thankful for our members who support our shelter. Please join us again this year and renew your membership online (<http://www.chippewahumane.com/>) or with the form on the back of this letter.

Also watch our website for information and ticket sales for our Purr and Paw Murder Mystery Dinner. We will be setting a summer date as soon as we have more information about the pandemic. Thank you for your contributions and we look forward to your renewed membership for 2021!!

Sincerely,

Deb Newman
